

**COLLEGE OF
EDUCATION**

Knowledge to Wisdom

IDP College of Education is co-educational B.Ed College affiliated to the Gujarat University and approved by the National Council of Teacher Education (NCTE). It stands among the renowned colleges that imparts one academic year of B.Ed programme in Gujarat.

Motto

Making students globally competitive

Mission

To offer educationist education to enlighten, emancipate and empower the student teacher fraternity and foster a lifelong learning.

Faculty

The College is associated with highly qualified and experienced lecturers who train the aspiring teachers. The College has a well-stocked library with a collection of books and reference journals in various subjects.

Methodology

The College aspires to develop the understanding of principles of pedagogy and its application to curriculum transaction and evolution. The focus is on developing the skills and competencies indispensable to play the multifaceted role of teachers. Research projects undertaken by the students help them in contributing to new insights into the teaching learning process.
